SUPPLEMENTARY INFORMATION:

Background.--These investigations are being instituted in response to a petition filed on May 2, 2003, on behalf of Five Rivers Electronic Innovations, LLC, Greenville, TN; the International Brotherhood of Electrical Workers, Washington, DC; and the IUE-CWA, the Industrial Division of the Communications Workers of America, Washington, DC.

Participation in the investigations and public service list.--Persons (other than petitioners) wishing to participate in the investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in sections 201.11 and 207.10 of the Commission's rules, not later than seven days after publication of this notice in the *Federal Register*. Industrial users and (if the merchandise under investigation is sold at the retail level) representative consumer organizations have the right to appear as parties in Commission countervailing duty and antidumping investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to these investigations upon the expiration of the period for filing entries of appearance.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.--Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these investigations available to authorized applicants representing interested parties (as defined in 19 U.S.C. § 1677(9)) who are parties to the investigations under the APO issued in the investigations, provided that the application is made not later than seven days after the publication of this notice in the *Federal Register*. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Parties wishing to participate in the conference should contact Woodley Timberlake (202-205-3188) not later than May 20, 2003, to arrange for their appearance. Parties in support of the imposition of antidumping duties in these investigations and parties in opposition to the imposition of such duties will each be collectively allocated one hour within which to make an oral presentation at the conference. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the conference.

Written submissions.--As provided in sections 201.8 and 207.15 of the Commission's rules, any person may submit to the Commission on or before May 29, 2003, a written brief containing information and arguments pertinent to the subject matter of the investigations.
